

## Thorofare Capital Adds Daniel Pavlinik as Director of Pacific Northwest Originations

Wednesday, 27 February 2019

Daniel Pavlinik, a former executive vice president with A10 Capital, has joined Thorofare Capital as director of originations for the Los Angeles company's Pacific Northwest region.

Pavlinik had been with A10 for six years and previously was with UBS Investment Bank, where he helped raise capital for private-equity clients in a variety of sectors. He's based in Boise, Idaho.

Thorofare is an alternative lender that provides \$5 million to \$100 million loans against properties that have been acquired or might be undergoing value-add improvements or recapitalizations. The company has originated more than \$1.7 billion of loans since its founding in 2010.
